Hi Cabot families,

As we begin 2018 I have many reasons to be thankful. I am truly blessed to work in a great school with wonderful students, teachers and parents. As you may know, the Cabot PTO sponsors amazing enrichment and offers resources that have a direct impact on your child's educational experience. In addition, PTO funding enhances a teacher's abilities within his/her classroom. I would like to give special thanks to all of you who donate and help fund the wonderful programs sponsored by the PTO. ***If you have not had a chance to donate to this year's Campaign for Cabot, I ask you to consider doing so now. Visit [tinyurl.org/campaignforcabot](http://tinyurl.org/campaignforcabot) to give online or pay by check to the Cabot PTO.***

Over the past year the PTO has funded school-wide Creative Arts and Sciences Programs as well as grade level specific programs, guest authors, books for the library, teacher materials that support a creative classroom, color day, t-shirts for new families, field trip subsidies, the community supper, and more.

PTO funding helps teachers and the students' have a truly unique experience at Cabot School. Your generosity grants the PTO the ability to continue this level of programming in our school as well as continue to create dynamic experiences for kids. If you are able, I encourage you to make a donation to this year's Campaign for Cabot that ultimately supports your children as well as the entire faculty: [tinyurl.org/campaignforcabot](http://tinyurl.org/campaignforcabot). Donations of any amount are truly appreciated and allow your PTO to continue supporting Cabot School, Students and Staff.

Thank you for your support that helps make a Cabot a great place for all.

Mr. Sprung

Principal, Cabot School
